

2020-21 A lockdown year to remember!

Our March meeting was plastic-free
then we were under lock and key
So via WhatsApp and Zoom
to your front room
we had face packs (not a pretty sight!)
photos of spring's delight
AGM, quizzes, Centenary cream tea
all online for you and me.

An author talked about her books,
some of us became better cooks!
Craft club, book club and 'bubble' meets
for walks, tea and lunchtime eats.
Calico bags were given to all
to paint, sew or just hang in the hall.

Devon Air Ambulance 'took' us on flights
rescuing patients from their plights.
WI viewers from around the nation
joined us to learn about Stem Cell donation.

Your Committee held their usual meets,
made festive cards and delivered them with treats!
Our Christmas meeting was full of fun
sharing limericks, jokes and icing buns.
'Sex and Scandal at Hampton Court'
then playing spoons - who'd have thought?

Still to come before we're out
another quiz (Cherry wins - no doubt!)
A knickers talk and magic tricks.
Then (fingers crossed) a brothel walk and Croquet hits.
Just for now, it seems
we have to continue on our screens.

(We've shared and cared and sometimes dared
to do things in a different way
but throughout this year we've been right here
thinking of you every day.)
We really hope to see you all soon
but in the flesh and not on Zoom!
